

Dear Colleagues and Partners,

Please do not hesitate to share the information with your colleagues concerned and with the students who could be interested.

Greetings from ESA, L'Ecole Supérieure des Agricultures (F ANGERS08) !
I hope this message finds you well.

As mentioned in my previous communication, our Summer Programme on FoodTech Innovation will take place in Paris in July 2025.
We are pleased to announce that we will be hosting **two information sessions next week** to provide further details about the programme.

Summer Programme 2025: FoodTech Innovation

 Dates: June 30 – July 18, 2025

 Topics: Food Science, Food Technology, Agrifood Innovation, and AI

 Credits: 6 ECTS

 [Learn more about the programme content and topics]

 Applications are now open!

(Apply for the Summer Programme_FoodTech_Paris)

Information Session Details:

We are offering two options for the information sessions:

- Wednesday, April 2, 2025 at 6:00 PM (CET)
- Friday, April 4, 2025 at 12:00 PM (CET)

If you or your students are unable to attend, you can still register via the form, and we will be happy to send you the recording of the session. Additionally, students interested in the programme will have the option to schedule a one-on-one meeting with us to address any questions they may have.

Please indicate your preference in the registration form.

Register for the Information Session:

If you have any questions or require further information, please do not hesitate to get in touch.

Wishing you a lovely weekend,

Best regards,

Best regards,

Aurélie QUINTON
