

LIST OF COURSES OFFERED TO INCOMING ERASMUS STUDENTS

WINTER SEMESTER

| Code | Course Title | ECTS | Туре |
|------|---|------|---------------|
| 1011 | Mathematics | 6 | Project Based |
| 1061 | Information Technology Applications (theory) | 2 | Project Based |
| 1062 | Information Technology Applications (lab) | 2 | Live Course |
| 3071 | Introduction to Physical Chemistry | 3 | Project Based |
| 3021 | Biochemistry (theory) | 4 | Project Based |
| 3022 | Biochemistry (lab) | 3 | Project Based |
| 3031 | Introduction to food microbiology (theory) | 4 | Project Based |
| 3032 | Introduction to food microbiology (lab) | 3 | Project Based |
| 5041 | Food packaging (theory) | 3 | Project Based |
| 5042 | Food packaging (lab) | 3 | Live Course |
| 5051 | Food biotechnology | 4 | Project Based |
| 7021 | Science and Technology of Fats and Oils (theory) | 4 | Project Based |
| 7022 | Science and Technology of Fats and Oils (lab) | 3 | Project Based |
| 7051 | Food product development | 3 | Live course |
| 7052 | Current Topics in Nutrition | 3 | Live course |
| 7054 | Precision Nutrition | 3 | Live course |
| 7055 | Computational Chemistry and Cheminformatics in food science | 3 | Project Based |

SPRING SEMESTER

| Code | Course Title | ECTS | Туре |
|------|---|------|---------------|
| 2011 | Physics (theory) | 6 | Project Based |
| 2012 | Physics (lab) | 2 | Live course |
| 4041 | Human Nutrition | 4 | Live course |
| 6021 | Industrial Microbiology | 4 | Project Based |
| 6041 | Food quality and safety | 4 | Project Based |
| 6052 | Sensory evaluation of food (lab) | 3 | Live course |
| 8011 | Milk and dairy products Science and Technology (theory) | 4 | Project Based |
| 8012 | Milk and dairy products Science and Technology (lab) | 3 | Live course |
| 8033 | Bio-functional Food Ingredients | 3 | Project Based |
| 8036 | Advanced methods of analysis | 3 | Project Based |
